Integrated Pilot Training System - IPTS - (2/2)
The Download Concept

Doing more with less

Aeronautica Militare
Internationalization

...and more to come
Food for thoughts

Great opportunity for:

• Cultural and organizational growth

…but…

• Rapid changes vs reduced time for adjustments
• High tempo (Move on quickly in case of unpredictable gaps)
• Strategic choices and accurate planning
Extensive use of SIM
T-346 Exploitation

Aeronautica Militare
Conclusions

✓ Holistic approach

✓ What’s next?
On the right path?
